

## MONDAY 18 JANUARY HOME LEARNING

8.45-9.00 – Reading home book and recording in Reading Record

9.15-10.30 – HARRY POTTER UNIT – TEAMS session

On Friday, you had to imagine you were a reader for a publishing company, given the task of deciding whether or not this book should be published. Your only information about the book was the Synopsis and the first 2 pages.

You made notes under the headings: Should Publish and Should not Publish, giving reasons why this would be a good/not so good book to publish.

This morning you should read your notes again and decide on your recommendation. You should then write a short paragraph explaining why, in your opinion, the book should or should not be published. DISCUSS as a class.

GRAMMAR FOCUS: Revisit Powerpoint from last week and complete Word Class section as a class.
