

Maths QUICK-SKILL Support your Child

to:

Get Nifty with Fractions Key

Stage 2

A great way to get up to date with what and how your child is learning about Fractions in KS2, so you can use the same methods that they learn in school. This course will provide you with resources and ideas to use at home so you can support your child's learning more confidently. This course is suitable for parents/grandparents and carers of children in KS2.

Starts Thursday 27th Jan for 4 Weeks

9:30 -11:30am

This is an Online course – you will need to be able to access ZOOM on your phone, tablet, laptop or PC. Introductory session will be in place to help you get set up for the course.
