

Spotlight on SPaG

(Spelling, Punctuation and Grammar)

This course will help you build a vocabulary of terms so you can recognise, talk about and use a range of spelling techniques, punctuation marks and grammar terms in both your own writing and when you are supporting your child. The basics are covered to start with, so you can then build up to some of the more challenging aspects of SPaG. Nail your knowledge of nouns and conquer conjunctions...

Starts Thursday 14th Jan for 5 Weeks

9:15-11:15

This is an Online course – you will need to be able to access ZOOM on your phone, tablet, laptop or PC. Introductory session will be in place to help you get set up for the course.
