Revisit work completed last week:

Design a Cave Elf's Menu & What's in a Cave Elf's Knapsack.

Make sure you have written your menu descriptively, using adjectives to make your choices sound appealing. If not, add some now.

Check the goblin's knapsack list again, is yours as well detailed? If not, add to it now.

Prepare for this week's activity – Writing a Report for The Ultimate Guide on a new type of elf or sprite.

Use ACTIVITY 6 to find useful words and phrases to add to your Word Bank. Copy the chart into your books then scroll back to the Cave Elf report and find more words you can add to the chart. You could also search in the 2nd text on pages 19-20.

ACTIVITY 7: Spot the underlying pattern.

Look at the way the report has been divided into sections. You will use this frame when you write your own report.
