HISTORY - Revisit work completed from the website we looked at last week: Continue working from BBC Bitesize WW1 and complete your next bubble map using the heading 'What did men do on the frontline in World War One?'

Record the main points from the 1st section.

Watch the video clip of how men's jobs at home could prepare them for life at war, pausing and recording what you learn.

Make notes on different sections, using your format/ layout of choice:

What did men do in the Army?

What did men do in the Navy? Follow the arrows on presentation to find your facts.

What did men do in the Air Force? Follow arrows as above.

How did life change for men?

I would like you all to do a really good job of your history notes and I would like you to send a photo of your work to me please:

ataylor@newtown.cumbria.sch.uk

If you have time left, please use it to complete one of the previous art activities and to send a photograph of it to me.
