

Spotlight on the Cubs Class...

The Cubs' Spring 1 topic was 'People Who Help Us'. Within this topic the children learned about the different people within our community who help us. We looked at doctors, firefighters, dentists, shopkeepers, cleaners, teachers, bus drivers and so on. The children were really engaged within this topic, they enjoyed learning about the different people and how they help us. To bring this topic to a close, we went on a walk around our community to see where these people worked, we saw the hospital, the police station, the fire station and the post office. The children then produced some good writing about their walk and what they saw! This half term our topic is 'The Bug Hotel' we are going to look at different minibeasts and how they help our earth. We have already got stuck in by looking for different minibeasts in our outside area.
