

Sports day was a huge success at Newtown and what made it extra-special was being able to have the parents there to support their children for the first time in two years. Mrs Trickett, our specialist PE teacher from William Howard organised a super event for both Key Stage 1 and 2 which included all kinds of sporting and agility tasks such as; the sack race, the egg and spoon race, throwing, javelin, long jump and running to mention just a few. All the children did exceptionally well. They showed respect, responsibility and resilience throughout and worked together as a team. The eventual Newtown cup winners this year was the Blue team. Thank you to all that attended.
