

Maths – Place Value & Shape

We will be learning about place value within 100. We will learn how to partition numbers in different ways. We will compare and order numbers. We will learn about 2-D and 3-D shapes, including counting faces, edges and vertices.

Science – Seasonal Changes

We will be looking at the different seasons in the UK and looking into what happens in each season and the weathers that occur in each season.

DT – Mechanisms

We will be looking and how to make things move and then making a fairground wheel.

Art – Drawing

We will be looking at basic drawing skills, learning how to draw in a range of ways.

History – How am I making history?

We will be learning about our own history and the history of our family members. We will be looking at similarities and differences between past and present.

Geography – What is it like here?

We will be doing a local area study to look at where we live and our local area. We will also be developing our understanding of maps and how they are used.

Coniston Class Year 1 & 2 Autumn Term 2

PSHE – Health & Wellbeing

We will be looking at how to look after our mental, physical and emotional health.

Music – Christmas Songs

We will be learning a variety of Christmas songs which we will perform at Christmas time.

English – Instructions and Shape Poems

We will be learning how instructions are structured. We will write our own instructions and then follow them to make something. We will write our own shape poems.

Whole Class Reading – Esio Trot

We will be reading 'The Tiger Who Came to Tea' and focussing on developing fluency.

PE – Gymnastics

We will be learning how to move our bodies in a range of ways, also using equipment.

RE – How did the world begin?

We will be listening to different creation stories and learning about how the world began according to different groups of people.

Computing – Algorithms

We will be learning about what algorithms are and how to use them for effect.
