Free School Meals

Apply for free school meals and school clothing vouchers

If you already get free school meals and clothing grants you do not need to apply for each school year.

[Apply for free school meals and school clothing vouchers](#)

- Where possible all parents and guardians should apply online. You will need to register on the Citizen Portal to do this. If you apply online you will receive an immediate response telling you if you are eligible for the vouchers.
- If you are unable to apply online please contact the free school meals team - telephone: **0300 373 3730**.

What do I do when another child starts school.

Even if you are already getting free school meals and school clothing vouchers for your other children, you need to apply for each child starting school for the first time. (For example - new starters in a reception class).

You will need to submit a new application for that child only, regardless of whether older siblings are in get free school meals.
