

## **Maths**

This half term we will be continuing to practise addition and subtraction and then moving onto multiplication and division, with a focus on written and mental methods.

## **History**

### **How hard was it to invade and settle in Britain?**

This term we will be investigated who the Anglo-Saxons were, where they came from and their lives in Britain once they arrived. Children will investigate and compare sources to help them become successful historians.

## **English**

We will start our half term by planning and writing a recount of the story 'Leon and the Place Between', making sure we use all the features we have practised. We will continue to focus on our presentation and making sure we use correct grammar and punctuation.

## **Geography**

### **Antarctica**

This term we will be focusing on Antarctica, looking at where it is located in the world and what the climate is like. Children will also learn about the importance of Ernest Shackleton as well as using a grid reference points to locate on a map.

## **Science**

### **Forces and Magnets**

In science we will be exploring what forces are and how they are used. We will be practising using scientific methods to help answer enquiry questions with lots of practical learning.

## **Reading**

We will be reading Charlotte's web, using echo and choral reading to practise reading with expression, and using the correct intonation and pace.

## **Art**

In art, we will be continuing to develop our drawing skills with more of a focus on how to show tone, texture and accurate proportions.

## **Derwent Class Year 3/4 Autumn Term 2**

## **PE**

In PE with Adam this half term we will be practising passing skills and working as a team as we build on the skills needed to play rugby.

## **Computing**

This half term will continue building on learning from last half term, focusing on records, fields and data.

## **Music**

In music, we will be learning about the origin and features of rock and roll and practising how to clap and play in time.

## **French**

This half term we will be learning French adjectives and colours. We will be practising speaking and writing in French.

## **Design and Technology**

This half term we will be designing, developing, creating and designing wearable technology.

## **RE**

In RE, we will be focusing on Christianity, looking at the key aspects of the Christmas story.

## **PSHE**

This half term we will be learning about health and wellbeing with a focus on how to look after ourselves physically and mentally.
